6. Adding Product to Favourite List

Customer can find Favourite Product on the webstore and use them as their favourite product and Favourite Product List tab under *"My Account"*. Here, the Customer can see their favourite product list and the customer can remove a product or visit the collection of their Favourite product

The screenshot shows a user account dashboard with a sidebar menu on the left and a main content area on the right. The sidebar menu includes the following items: Account Dashboard, Account Information, Address Book, Messaging, Chat With Live Support Team, My Orders, My Product Reviews, Stored Payment Methods, Billing Agreements, My Downloadable Products, Favourite Seller List, **Favourite Product List** (highlighted with an orange bar), Newsletter Subscriptions, and My Wish List. The main content area is titled 'Favourite Products' and features a large, faint watermark logo of a stylized 'M' inside a hexagon. Below the logo, the text 'simple' is displayed, followed by the price '444.0000'. Underneath the price, it says '1 Item'. At the bottom of the main content area, there is a blue link that says 'Share Product List'.

To add a product to your Favourite product list, you need to navigate to Product Pages where you can add the product to your Favourite Product list.

On the Product page, you can find the option to ***"Add Favourite Product"***
