1. Overview

Sunsky is a wholesale marketplace from China selling Computer and Mobile Phone Accessories, Home and Outdoor gadgets across the world. It has its headquarters in Hong Kong and the operation is based in Shenzhen, China.

Sunsky Affiliate extension for Magento 2 developed by CedCommerce is enables the Magento you to offer the products on the Sunsky website and earn commissions. With Sunsky Affiliate Magento 2 extension, you can perform all activities for fetching the Sunsky product data to the website. Therefore providing a good opportunity for all sellers to earn a commission.

Sunsky Affiliate for Magento 2 has some exclusive features.

Key Features:

- Imports items information such as description, images.
- Enables product import in bulk from Sunsky.
- Import Products Category wise and based on SKUs of products.
- All Shipping methods are imported from Sunsky to Magento 2 store which is displayed on the front end.

2. Sunsky Affiliate Configuration Settings

To Set up Sunsky Affiliate Configuration

- 1. Go to the Admin Panel.
- 2. On the left navigation bar, click the **Sunsky Affiliate** menu: The menu appears as shown in the following figure:

| Ŵ | Sunsky Affiliate $~	imes$ |
|--------------------------|---------------------------|
| | Product |
| O SUNSKY AFFILIATE | Import Products |
| 1 1 | Settings |
| | Configuration |
| | Extras |
| | Help & Support |
| | Knowledgebase |

3. Click Configuration.

The **Configuration** page appears as shown in the following figure:

4. In the right panel click the **Sunsky Settings** tab.

The tab is expanded, and the section appears as shown in the following figure:

 \odot

| Sunsky Settings | | | |
|------------------------|-----|---|--|
| Enabled [global] | Yes | • | |
| App Key [global] | | | |
| App Secret [global] | | | |

| Select Store [global] | Default Store View | • | |
|---|--------------------------------|---|--|
| Set Product Visibility [global] | Catalog, Search | • | |
| Set Product Attribute Set [global] | Default | • | |
| Set Product Attribute Group [global] | Product Details [set: Default] | • | |
| | | | |

Enable

----Please Select----

Add Default Attribute For Barcode

- 5. Under Sunsky Settings, do the following:
 - a. In Enabled, select Yes to enable the settings.

Set Product Status

Map Barcode Attribute

[global]

[global]

- b. In the APP Key box, paste the App Key copied from the Sunsky Affiliate Account.
- c. In the App Secret, paste the secret key copied from the Sunsky Affiliate Account.
- d. In Set Product Status, select Enable option to set the status of the product.
- e. In Map Barcode Attribute, select the attribute and map it if you wish to get the barcode on the product.
- f. In the Select Store, select the store view.
- g. In Set Product Visibility, by default Catalog, Search is selected.
- h. In Set Product Attribute Set, select the Default option.
- i. In the Set Product Attribute Group, select the Product Details option.
- 6. Click the Save Config button.
- 7. Scroll down to the **Sunsky Price Settings** tab, and then click the tab.

The tab is expanded, and the section appears as shown in the following figure:

| Configuration | | | | Save Config |
|---------------|--|--|---|-----------------------|
| | Sunsky Price Settings Product Price [global] | Default Magento Price Select to import a different product price from Sunsky | × | $\overline{\bigcirc}$ |

- 8. In **Product Price**, select one of the following options:
 - Increase by Fixed Price: If selected, then the Modify by Fix Price field appears.
 - Increase by Fixed Percentage: If selected, then the Modify by Percentage Price field appears.

Enter the numeric value to increase the price of the Sunsky, product price by the entered value % of Magento 2 price.

- For Example, Magento 2 price + 5% of Magento 2 price. Magento 2 Price = 100 Select Increase By Fixed Percentage option Enter Percentage = 5 100 + 5% of 100 = 100 + 5 = 105 Thus, Sunsky Product Price = 105
- Decrease by Fixed Price: If selected, then the Modify by Fix Price field appears.
- Decrease by Fixed Percentage: If selected, then the Modify by Percentage Price field appears. Enter the numeric value to decrease the price of the Sunsky product price by the entered value % of Magento 2 price For Example,

```
Magento 2 price – 5% of Magento 2 price.
Magento 2 Price = 100
Select Decrease By Fixed Percentage option
Enter Percentage = 5
100 - 5\% of 100 = 100 - 5 = 95
Thus, Sunsky Product Price = 95
```

9. To add shipping method, go to the sales menu:

| C | onfiguration | |
|---|------------------|---|
| | GENERAL | ~ |
| | CATALOG | ~ |
| | SECURITY | ~ |
| | CUSTOMERS | ~ |
| | SALES | ~ |
| | ENGAGEMENT CLOUD | ~ |
| | SERVICES | ~ |
| | ADVANCED | ~ |

• By clicking on sales, the section expands as:

| SALES | ^ |
|----------------------|----|
| Shipping Methods | * |
